

48" x 48" Dutch Window

Our Dutch windows bring classic barn style together with rugged, built-to-last craftsmanship. Handmade from premium materials, each window offers superior durability and performance compared to standard models. Designed to swing open for ventilation and visibility while keeping horses secure, these windows are a practical, attractive upgrade for any stable.

Standard Features

- Heavy-duty tubular aluminum construction
- 1.5" x 3.5" tube frame for easy exterior finishing
- Welded-on greasable hinges, stainless steel slide latch
- Typically less than 1 hour for installation
- Multi-step primer & powder coat; 35 colors available
- 0.25" standard tempered glass windows
- Lifetime rust-free guarantee, 15-year powder-coat warranty

Our In-Stock Sizes

- 35.5" x 35.5" (for 36" x 36" R.O.)
- 47.5" x 36.5" (for 48" x 37" R.O.)
- 47.5" x 47.5" (for 48" x 48" R.O.)
- Custom sizes and options by special order

Framing / Opening Preparation

Image shows suggested framing for pole barn installation. Recommended rough opening size is 48" x 48".

Although not recommended by J&E, siding can be installed before the window. Allow 1/16" gap on sides and top. Refer to print for outer window dimensions.
