

48" x 37" Awning Window

Our awning windows combine everyday function with long-lasting craftsmanship. Built from heavy-duty materials and designed to open outward on a hinge, they allow fresh air into your barn while keeping the interior protected from the elements. Each window is handmade for durability, making it a smart, low-maintenance solution for adding ventilation and light to your stable.

Standard Features

- Heavy-duty tubular aluminum construction
- 1.5" x 3.5" tube frame for easy exterior finishing
- Welded-on greasable hinges, stainless steel interior latch
- Typically less than 1 hour for installation
- Multi-step primer & powder coat; 35 colors available
- 0.25" standard tempered glass windows
- Lifetime rust-free guarantee, 15-year powder-coat warranty

Our In-Stock Sizes

- 35.5" x 35.5" (for 36" x 36" R.O.)
- 47.5" x 36.5" (for 48" x 37" R.O.)
- 47.5" x 47.5" (for 48" x 48" R.O.)
- Custom sizes and options by special order

Custom Options

Framing / Opening Preparation

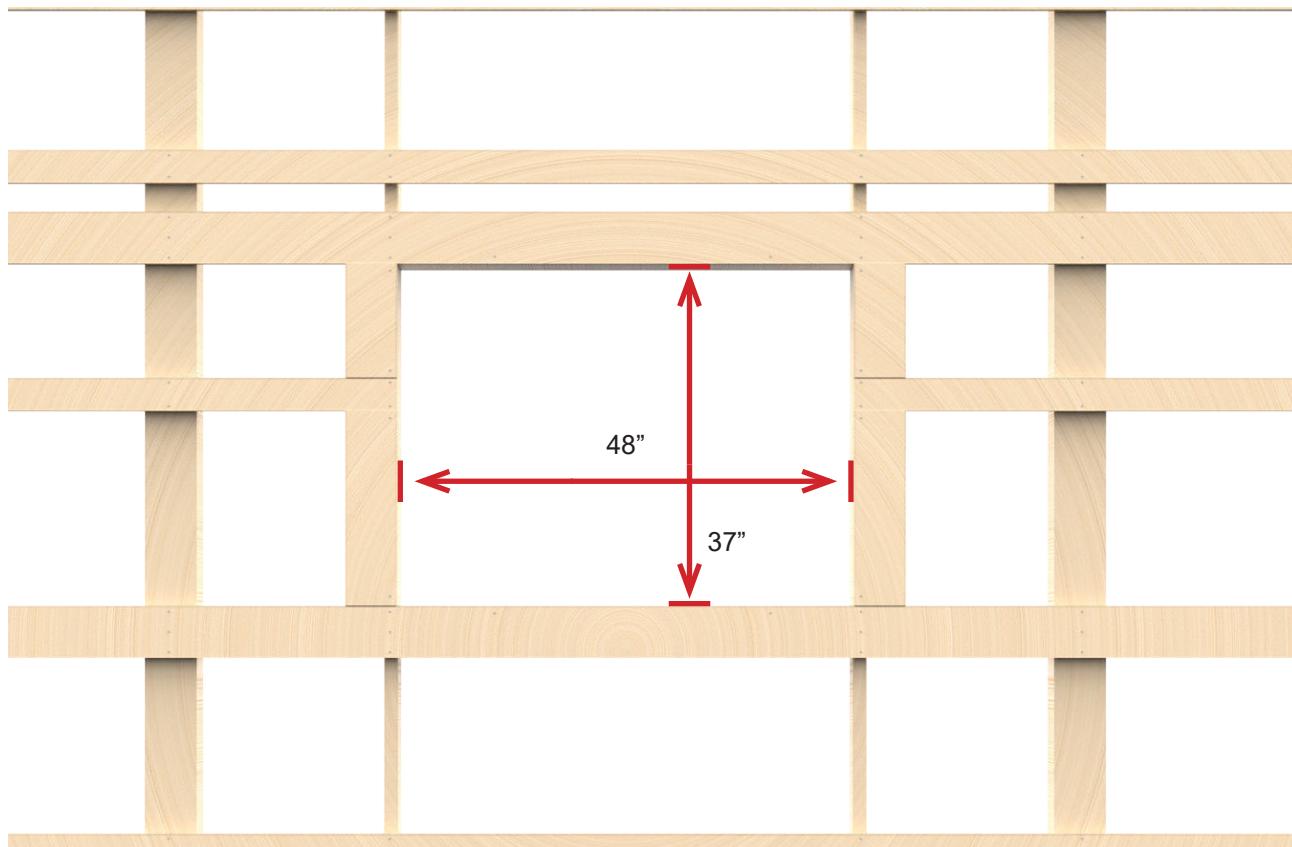

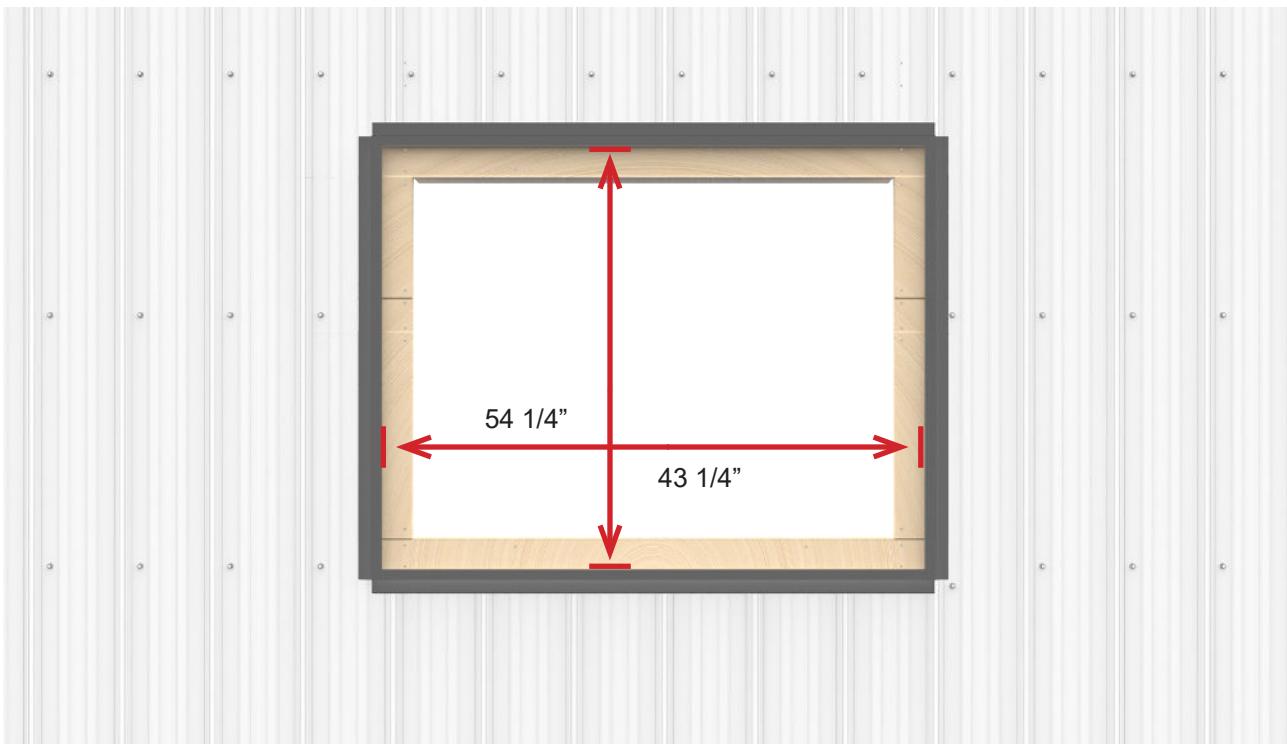

Image shows suggested framing for pole barn installation. Recommended rough opening size is 48" x 37".

Although not recommended by J&E, siding can be installed before the window. Allow 1/16" gap on sides and top. Refer to print for outer window dimensions.
