

REMOVABLE HAYNET INSTALL GUIDE

Items included in your package:

(4) bolt/nut sets

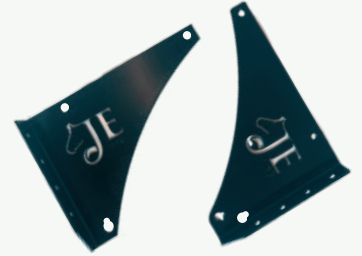

(8) 1.5" wood screws

(2) carabiner clips

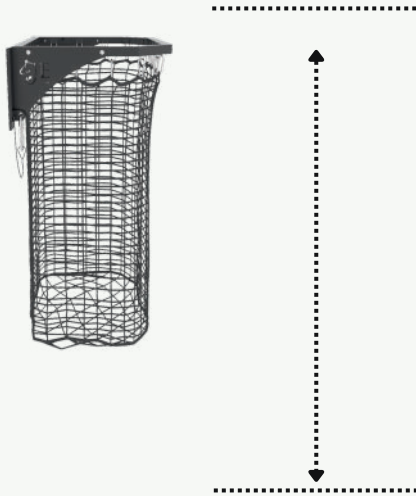

LH & RH wall mount brackets

LH & RH side supports

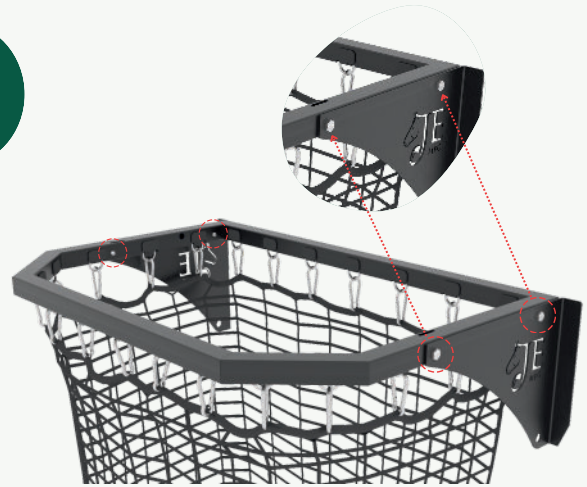

#1

Choose Mounting Height

Decide the appropriate height based on your net use.

#2

Attach the Side Supports

Secure the side supports to the net frame using bolts and nuts.

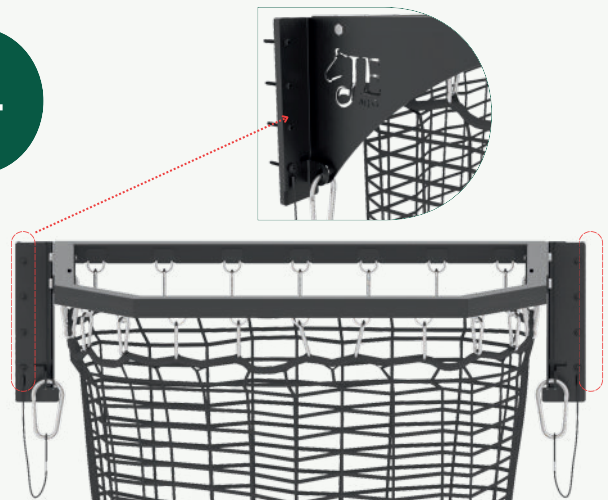

#3

Wall Mount Bracket Positioning

Draw a level line to mark the bottom edge of the wall mount brackets. Then, measure **29 inches** to the outer edges of the brackets.

#4

Mounting the Net

Fasten the wall brackets, and hang the net.
